

## Year 5 Weekly Update

Week commencing 22<sup>nd</sup> June 2020

Hello Year 5, thank you ever so much for those of you who have sent in your buddy letters. They have been delightful letters to read and we're sure you really will make your buddies smile at the thought of joining our school and meeting everyone who makes up our amazing year 5 buddy team. This week we have another task that we are asking the year group to complete and return to us by the end of the week. If you could complete the report task outlined in our timetable below and return it to us via our email; [Year5@Nettleham-Junior.Lincs.sch.uk](mailto:Year5@Nettleham-Junior.Lincs.sch.uk) we would be extremely grateful.

Please find below the suggested timetable of activities to provide some structure over the next week if you wish to follow it. Please be aware that lots of these resources are on our school website, within the associated subject folder. Please choose subjects you enjoy doing, but try to also do subjects you may find more of a challenge too, you can share your sense of achievement with us! You do not have to cover all of these tasks and you don't need to complete each task as if it is one lesson – take them as far as you would like to on one day, then you can come back and continue with them the next day.
