

Year 4 Weekly Update

Week commencing 11th May 2020

Please find below the suggested timetable of activities to provide some structure over the next week if you wish to follow it. Please be aware that lots of these resources are on our school website. Please choose subjects you enjoy doing but try to also do subjects you may find more of a challenge too; you can share your sense of achievement with us! You do not have to cover all of these tasks and you don't need to complete each task as if it is one lesson – take them as far as you would like to on one day, then you can come back and continue with them the next day.

As always, please use our email address Year4@Nettleham-Junior.Lincs.sch.uk to keep in contact with us. (Take a look at our website gallery to see a selection of the work that has been sent in
