

# Year 5 Weekly Update

Week commencing 8<sup>th</sup> June 2020

Hello Year 5, another week of home schooling has passed us by. We hope you are continuing to enjoy your life as a secret agent and you are learning lots about life in India. Our website gallery is being constantly added to, to demonstrate all the fantastic work that is being completed & Headteacher's Certificates have been awarded for the exceptional work we have received. Please keep up this brilliant attitude, as we are sure it is very hard to keep this momentum going at times. If you haven't been in touch with us so far, it would be lovely to hear from you – just to let us know how you are doing and what you are up to at home.

No work is required to be attached(!) just a message would be lovely if you fancy an online chat! [Year5@Nettleham-Junior.Lincs.sch.uk](mailto:Year5@Nettleham-Junior.Lincs.sch.uk)

Please find below the suggested timetable of activities to provide some structure over the next week if you wish to follow it. Please be aware that lots of these resources are on our school website, within the associated subject folder. Please choose subjects you enjoy doing, but try to also do subjects you may find more of a challenge too, you can share your sense of achievement with us! You do not have to cover all of these tasks and you don't need to complete each task as if it is one lesson – take them as far as you would like to on one day, then you can come back and continue with them the next day.
