

Nettleham Junior School Sports Slam

OUR SCHOOL AND SPORT

Cross country

14 children from Nettleham Junior School took part in a cross country competition over the course of 5 races (7 were girls and 7 were boys.) The girls and boys both won the league title so they also won the joint competition as well. The top three girls in the competition were also from our school—Freya 1st, Chloe 2nd and Tallulah 3rd.

Tag rugby

10 children went to a Tag Rugby mega festival at Bishop Grosseteste university on 8th March. In the morning they played some fun rugby themed games then in the afternoon rugby matches were played. The team played really well and all the children developed their skills.

Hockey Tournament

Three teams of 6 children went to Lindum hockey club to compete in a hockey tournament team on 20th March. One team made it through to the quarter finals, team 2 made it to the knockouts and team 3 unfortunately didn't make it out the pool stages.
