

As part of our on-going self-evaluation process, we feel that it is vital that the parent body has the opportunity to input in terms of making judgements on the quality of school and in highlighting areas for development.

Below are some questions, intended as prompts for your thinking. Additional thoughts on the aspects of our provision that we do well or need to improve can then be communicated at the end of each series of questions.

Thank you in advance for taking the time to complete this survey, as it will help us to continue to develop and improve our school.

Completed surveys can be returned to the school office or to class teachers via your child/children by.

Additional copies of this survey can be obtained from our school website www.nettleham-junior.lincs.sch.uk

Well Being / Personal Development
