

28th February 2020

Hi

As part of a nationwide initiative, **Nettleham Infant and Junior Schools** have been offered the chance to increase the school reading resources through a partnership between local businesses and other community organisations and Usborne Books at Home and School, a division of Usborne Publishing, a highly respected children's publisher. The children are taking part in a sponsored listening and reading event taking place in March 2020.

We invite you to make a donation to buy a book or books for the schools to increase their library stock.

They are aiming to collect **£600** in donations for the Schools, and Usborne will then generously provide an additional **£360** worth of free books on top of this.

All businesses supporting us will receive acknowledgement on our website and Facebook site, and can also request a donor's poster to proudly display at their work place.

I do hope you will take part in this scheme, which will help raise the literacy standards of our community's next business generation. I have authorised **Sarah Singleton** to coordinate the community book pledge for the school and I would be grateful if you could contact her directly on **07900 698893 (gerrygiraffebookshop@yahoo.com)** or send any donations to the school for her attention - where the money will be put directly towards books at the School.

Yours faithfully

Ms Jollands (Acting Headteacher Nettleham Infants School) and Mr Gibbons (Nettleham Junior School)
