

## Year 4 Weekly Update

Week commencing 20<sup>th</sup> April 2020

Hello Year 4! We hope you are all well and that you are enjoying distance learning. We have seen some lovely work over the last few weeks and would love to see lots more! Don't forget, you can send it to [Year4@Nettleham-Junior.Lincs.sch.uk](mailto:Year4@Nettleham-Junior.Lincs.sch.uk) for us to admire and we'll add it to the Gallery.

**Below are some suggested tasks for this week.** Please be aware that some of these resources are on our school website and some you will need to create yourself. Take them as far as you would like to, but don't forget to keep practising your skills to move forwards with your learning.

Monday	Tuesday	Wednesday	Thursday	Friday
Reading	Reading	Reading	Reading	Reading
Read for pleasure 30 minutes	Read for pleasure 30 minutes	Read for pleasure 30 minutes	Read for pleasure 30 minutes	Read for pleasure 30 minutes
Maths	Maths	Maths	Maths	Maths
<p><b>Penguins</b>  <a href="#">Do first 12 column addition sums.</a>            Answers are <a href="#">here</a></p> <p>Work on 7x tables – <a href="#">hit the button</a> or any other way</p>	<p><b>Penguins</b>  <a href="#">Do questions 12- 24 column addition sums.</a>            Answers are <a href="#">here</a></p> <p>Work on 7x tables – <a href="#">hit the button</a> or any other way</p>	<p><b>Penguins</b>            Fraction revision            Shade <a href="#">fraction worksheets</a>. Do as many as you can.</p> <p>Practice 7x division eg <math>28 \div 7</math>  <a href="#">hit the button</a> or any other way</p>	<p><b>Penguins</b>  <a href="#">Adding fraction worksheet with pictures.</a></p> <p><a href="#">Subtracting fraction worksheet with pictures</a>            Answers are <a href="#">here</a></p> <p><a href="#">7 x worksheet</a>  <a href="#">7 ÷ worksheet</a></p>	<p><b>Penguins</b>  <a href="#">Complete part whole diagrams worksheet</a>            Answers are <a href="#">here</a></p> <p><a href="#">Fraction assessment sheet.</a>            (leave last 2 questions)</p> <p>Answers are <a href="#">here</a></p>
<p><b>Monkeys</b>  <a href="#">Do first 12 column addition sums.</a>            Answers are <a href="#">here</a></p> <p>Try some of your own like this:  <math>234</math>  <math>267 +</math>  <math>456</math>            ———</p> <p>Work on 7x tables – <a href="#">hit the button</a> or any other way.</p>	<p><b>Monkeys</b>  <a href="#">Do questions 12- 24 column addition sums.</a>            Answers are <a href="#">here</a></p> <p>Try making 6234 by adding 2 4-digit numbers. Can you do this in lots of different ways.</p> <p>Work on 7x tables – <a href="#">hit the button</a> or any other way</p> <p>Complete 7x sheets</p>	<p><b>Monkeys</b>  <a href="#">Complete part whole diagrams worksheet</a>            Answers are <a href="#">here</a></p> <p>Start <a href="#">adding and subtracting fraction worksheets</a>.</p> <p>Practice 7x division eg <math>28 \div 7</math></p>	<p><b>Monkeys</b>            Complete <a href="#">adding and subtracting fractions worksheets</a>.            Answers are <a href="#">here</a></p> <p>If you finish make some of your own that have an answer greater than 1</p> <p><a href="#">7 x worksheet</a>  <a href="#">7 ÷ worksheet</a></p>	<p><b>Monkeys</b>  <a href="#">Fraction assessment sheet.</a></p> <p>Answers are <a href="#">here</a></p>
<p><b>Extension</b>  <a href="#">Extension fraction sheet</a> in resources and answers <a href="#">here</a></p>				
Topic				
<p>Research a wild animal of your choice using <a href="#">planning sheet</a> to guide you. Key areas are: appearance, feeding and young.  <a href="#">Look at filled in sample planning sheet.</a></p>	<p><a href="#">Read sample report about wolf.</a></p> <p>Using your filled planning sheet, start to write (hand write or type) report about your animal.</p>	<p>Complete report and check spelling and punctuation.</p> <p>Read with an adult to edit if possible.</p> <p><a href="#">Wolf vocabulary work</a></p>	<p><a href="#">Complete grammar sheet about word classes.</a>            Answers are <a href="#">here</a></p> <p><a href="#">Grammar rhyme sheet as prompt/reminder.</a></p>	<p><a href="#">Spend time testing yourself on spellings: look, cover, write, check.</a></p> <p>Ask someone to give you a spelling test.</p> <p><a href="#">If you have extra time the Y3 and 4 words are on the website to practise.</a></p>
<a href="#">5 mins spellings</a>	<a href="#">5 mins spellings</a>	<a href="#">5 mins spellings</a>	<a href="#">5 mins spellings</a>	

Other ideas:	<p>Take the time to read a good book.</p> <p>Why not find an article on Newsround (<a href="https://www.bbc.co.uk/newsround">https://www.bbc.co.uk/newsround</a>) and have a chat with a parent/carer about it to find out their point of view.</p> <p>Don't forget, if you want more ideas for things to do, there are a whole range of activities on the school website. There are also lots of links to other websites, broadcasts, and resources for you to make the most of.</p> <p>We have particularly been enjoying <a href="#">David Walliams weekday stories</a> and having <a href="#">Audible</a>, full of lots of great e-books/audio books, available for free.</p> <p>There's also the weekly <a href="#">Lego challenge</a> on the school website, we look forward to seeing the results.</p>
--------------	---

### **Note for parents/carers:**

We have had lots of very positive feedback from children completing their work at home and it has been great to see the fruits of their labours via e-mail.

We recognise this is a very different time for everyone and we've had some messages asking about how to organise the day. For more information about this, have a look at our school website (<https://www.nettleham-junior.lincs.sch.uk/page/?title=Distance+Learning&pid=99>)

Don't forget, you can always share work with us using [Year4@Nettleham-Junior.Lincs.sch.uk](mailto:Year4@Nettleham-Junior.Lincs.sch.uk) or you could create a scrap book of all your child's work as a record of their home school journey.

We realise this is also an extremely stressful time for many families, so if getting work done is tricky, please do not worry about it; there are no deadlines! The most important thing is to look after your family and yourself, and research shows that if nothing else, reading everyday will help your child make progress.

Although the National Curriculum has been suspended, we would like to provide you with these activity ideas to keep the children on track and spark their interest in the topics we would have been looking at if we were at school.

Don't worry if your learning leads you to explore new areas! We'd love to know what you find out.
