

Year 5 Weekly Update

Week commencing 4th May 2020

Year 5, we hope you are all happy, safe and well, enjoying time at home. We are so impressed with the work that has been sent into us and now the Spelling & Maths Sheds are up and running, we can see so many of you trying really hard with your home learning. Remember if you would like to share any of your home achievements – whether it be baking a cake, designing your own obstacle course or constructing a Lego masterpiece, we would love to see it. Please send a photo to our email address

Please find below the suggested timetable of activities to provide some structure over the next week if you wish to follow it.

Please be aware that lots of these resources are on our school website, within the associated subject folder. Please choose subjects you enjoy doing, but try to also do subjects you may find more of a challenge too, you can share your sense of achievement with us! You do not have to cover all of these tasks and you don't need to complete each task as if it is one lesson – take them as far as you would like to on one day, then you can come back and continue with them the next day.

Literacy	Spelling, Punctuation & Grammar	Maths
<p>Welcome to week two of your 'Secret Agent' adventure.
