

Year 5 Weekly Update

Week commencing 11th May 2020

Thankfully, we have had another lovely week of sunshine and the Year 5 team are once again overwhelmed by the high standard of work that is being sent our way. We have seen stunning peacocks, deliciously baked cakes, brilliant presentations based on the seven continents & the Secret Agent work continues to unfold with your fantastic diary entries. In these times of isolation, it certainly makes our lives a lot happier seeing your tremendous achievements. (Take a look at our website gallery to see a selection of the work that has been sent in.) As always, please use our email address Year5@Nettleham-Junior.Lincs.sch.uk to keep in contact with us.

Please find below the suggested timetable of activities to provide some structure over the next week if you wish to follow it.

Please be aware that lots of these resources are on our school website, within the associated subject folder. Please choose subjects you enjoy doing, but try to also do subjects you may find more of a challenge too, you can share your sense of achievement with us! You do not have to cover all of these tasks and you don't need to complete each task as if it is one lesson – take them as far as you would like to on one day, then you can come back and continue with them the next day.

Literacy	Spelling, Punctuation & Grammar	Maths
<p>Year 5 The Secret Agent Week 3</p> <p>This week you finally get to meet the mysterious professor.</p> <p>You are going to create a character description and learn how to write in code.</p>	<p>Spelling Shed.</p> <p>Well done to all of you who have been practising this week – the leader board is constantly changing so keep visiting your shed!</p> <p>Our Grammar Activity for this week: We thought we would continue with our work on speech marks, to consolidate these often, very tricky rules.</p> <p>Speech Marks Lesson 2 Answer sheet</p>	<p>Mrs Wicks/Mrs Nicholl's group Please use this link to access your work: The Hurdling Hexagons</p> <p>Mr Handley/Mrs Wicks' group The Skiing Stars White Rose Maths Summer Term Week 4 Lessons 1-3 Please use our suggested weekly timetable as we are using Lessons 1-3 from White Rose in conjunction with appropriate reinforcement tasks.</p>
<p>French</p> <p>Madame Dale's weekly French activities are waiting for you here</p>	<p>Maths Worksheets</p> <p>Please note – White Rose worksheets and videos are now available on the school website HERE for Cycling Cylinders and HERE for Skiing Stars</p>	<p>Mr Spowage's group The Cycling Cylinders White Rose Maths Summer Term Week 4</p> <p>Using your log in details for Spelling Shed. You will find Maths Shed, which has some mental maths activities on it for you to explore. Your teachers can then see how you've been getting on during the week. Good luck.</p>
<p>R.E</p>	<p>Indian Art & Craft</p>	<p>P.E</p>
<p>Creativity and the arts are really important within all religions. Colour is used symbolically and represents many different celebrations.</p> <p>Have a look and read of this PowerPoint to see how colour is used within the Christian church throughout the year: Liturgical Colours</p> <p>and then have a go at this design task: Stole Design</p>	<p>Following the elephant theme from last week, we thought you might wish to apply your crafting skills to create your own... Milk Bottle Elephants!</p> 	<p>In school we have been completing the daily live workout by Joe Wicks at 9 – 9:30am. It's a great way to start the day.</p> <p>You can always catch up with the live recordings later or look at his 5 or 8 minute workouts on his YouTube page.</p> <p>You may also want to look at doing some children's Yoga to give a peaceful moment to your day. https://awakeandmindful.com/best-kids-yoga-videos-on-youtube/</p>
