

Year 5 Weekly Update

Week commencing 15th June 2020

Hello Year 5, we hope you have had another enjoyable week at home. The week ahead involves us continuing our adventures as a secret agent and more scientific experiments to engage in. We also need to start thinking about our role as a Year 2 buddy as it won't be long before we find a brand new year group joining us in September. A member of the school office team should be sending you all an email soon letting you know the name of your buddies – exciting times for one of your very important roles as a member of Year 6 unfolds. Please get in touch if there is any reason this information doesn't reach you over the course of the upcoming week. Year5@Nettleham-Junior.Lincs.sch.uk

Please find below the suggested timetable of activities to provide some structure over the next week if you wish to follow it. Please be aware that lots of these resources are on our school website, within the associated subject folder. Please choose subjects you enjoy doing, but try to also do subjects you may find more of a challenge too, you can share your sense of achievement with us! You do not have to cover all of these tasks and you don't need to complete each task as if it is one lesson – take them as far as you would like to on one day, then you can come back and continue with them the next day.

Literacy	Spelling & Buddy Time!	Maths
<p>Year 5 The Secret Agent Week 7</p> <p>You will need these links:</p> <p>British Museum Sutton Hoo Helmet Facts</p> <p>British Museum Sutton Hoo Sword Video</p> <p>British Museum Sutton Hoo Sword Facts</p> <p>Secret Agent Artefact Sheet</p> <p>Secret Agent News</p> <p>Madame Dale's Weekly French Homework is Here</p>	<p>This week we have a very important job to complete as we are approaching that time of the year when we need to think about our Year 5 role of being a buddy to the Year 2 children who will be joining us in September.</p> <p>We would normally visit the Infant School to meet your buddies, but as this is not possible, we would love you to write a letter to your buddies for us to send. We're sure these letters will make the Year 2s feel less anxious about this big change ahead of them so we would really appreciate it if everyone completed this task this week.</p> <p>Task: Year 2 Buddy Letter</p> <p>This week's Spelling Lists are available here: Spelling Shed.</p>	<p>Mrs Wicks/Mrs Nicholl's group Please use this link to access your work: The Hurdling Hexagons</p> <p>Mr Handley/Mrs Wicks' group The Skiing Stars White Rose published this week's work in the first week of Lockdown (which we completed) and has provided schools with an ALTERNATIVE week 8. White Rose Maths Alternative Week 8</p> <p>Mr Spowage's group The Cycling Cylinders White Rose published this week's work in the first week of Lockdown (which we completed) and has provided schools with an ALTERNATIVE week 8. White Rose Maths Alternative Week 8</p> <p>Don't forget to keep practising using your mental maths skills using Maths Shed.</p>
Science	Art & Craft	P.E
<p>Dissolving Solids</p> <p>We have another 'Science with Mr Spowage' video for you all to watch.</p> <p>This week's video is all about what substances dissolve water and using a Carroll diagram to organise your findings.</p>  <p>This would be a great experiment to continue with at home. We would love to see your scientific results and recorded analysis.</p> <p>See the amazing results when the salt experiment was left for another week! SALT EXPERIMENT UPDATE</p>	<p>The weekend ahead is a time to focus on our family – Father's Day is a day to celebrate the relationship you have with your dad or any person in your life who plays the role of a father. This is the perfect time to say thank you to an uncle, an older brother, a family friend or a grandad too. Bring a smile to someone's face and make them feel special for all they do. The Origin of Father's Day</p> <p>We have collated some ideas for creating your own Father's Day Cards</p> <p>You may choose to do some colouring to show your appreciation: Colouring - Thankfulness</p> <p>And to prepare you for next week's theme, we thought we would introduce you to: http://www.supercoloring.com/coloring-pages/zentangle-elf</p> <p>We've downloaded the elephant here</p> <p>(Next week we are going to attempt to create our own Zentangle designs.)</p>	<p>In school we have been completing the daily live workout by Joe Wicks at 9 – 9:30am. It's a great way to start the day.</p> <p>You can always catch up with the live recordings later or look at his 5 or 8 minute workouts on his YouTube page.</p> <p>You may also want to look at doing some children's Yoga to give a peaceful moment to your day. https://awakeandmindful.com/best-kids-yoga-videos-on-youtube/</p>
