End of Year Preparations

Using the [report template](#) write up your own personal comments for your end of year school report.
For those of you working from home please email it back to school on the following email:

Year6@nettleham-junior.sch.lincs.uk

We are in the process of writing our end of year leaver's service. This will be very different from any that have gone before.

We aim to film our leaver's service - here we will ask all children to contribute in some form or another. Then we will put it all together in school ready for you all to see in July.

This week we are asking for you to send in a picture of yourselves.

We are going to make a collage/yearbook of the pictures - showcasing all our pupils in year 6.

Consider your pose - be creative -but be aware that this will be how you be remembered so not too crazy!

Please email them to Year6@nettleham-junior.sch.lincs.uk
