

Year 5 Weekly Update

Week commencing 6th July 2020

Hello Year 5, unbelievably, we are very quickly approaching the end of the school year, where life in school would ordinarily be involving bump up days to your new class teacher and the much loved event of Sports Day. How life has become so different for us all. In light of Sports Day (and the sunshine being forecast) we'd love for you to get out in your gardens and send us photos of your creative sporting events – the classic egg and spoon race (please boil egg first!) or how many trampoline bounces you can do in a minute or invent your own wacky obstacle course. (We could take suggestions for our school event next year!) Send your photos to Year5@Nettleham-Junior.Lincs.sch.uk for us to share with your friends. We do appreciate the extensive amount of time you have all been at home and the long summer holiday won't necessarily feel quite the same as we 'break up on the 21st July'. Please contact us via the email if you feel a phone call from anyone in the Year 5 team would help. We are always more than happy to get in touch.

Please find below the suggested timetable of activities to provide some structure over the next week if you wish to follow it. Please be aware that lots of these resources are on our school website, within the associated subject folder. Please choose subjects you enjoy doing, but try to also do subjects you may find more of a challenge too, you can share your sense of achievement with us! You do not have to cover all of these tasks and you don't need to complete each task as if it is one lesson – take them as far as you would like to on one day, then you can come back and continue with them the next day.
