

# Year 5 Weekly Update

Week commencing 13<sup>th</sup> July 2020

Hello Year 5, sadly we are now approaching the end of the year. Hopefully your belongings in school should be making their way back to you this week and you now all know your new class teacher for your life in Year 6. Although our year together was cut short, we thought you were all awesome!

You have so much to look forward to next year and you will be an amazing year group to set the standards for the rest of the school. We hope you have a lovely summer holiday and we very much look forward to seeing you all in September. In the meantime, have fun, keep safe and be good!

Please continue to contact us via our email [Year5@Nettleham-Junior.Lincs.sch.uk](mailto:Year5@Nettleham-Junior.Lincs.sch.uk).

Please find below the suggested timetable of activities to provide some structure over the next week if you wish to follow it. Please be aware that lots of these resources are on our [school website](#), within the associated subject folder. Please choose subjects you enjoy doing, but try to also do subjects you may find more of a challenge too, you can share your sense of achievement with us! You do not have to cover all of these tasks and you don't need to complete each task as if it is one lesson – take them as far as you would like to on one day, then you can come back and continue with them the next day.
