

Mrs Wicks' spelling group - 20th April 2020

Words containing the 'ar' sound.

These are the 10 words I would like you to learn this week:

car	artist
sharp	star
park	party
arm	charm
garden	march

- You can learn these by using a Look Cover Say Write Check sheet - I've attached one if you would like to print it out or you can simply create your own columns using a blank sheet of paper.
- Or the Squeebles app - see link <https://keystagefun.co.uk/> would allow you to practise your spellings like you do at school.

Please find below an activity you can do so as you can see how the ar sound is used in lots of different words. (You can type the words in if you delete the dashes. Or why don't you draw the pictures instead and label them carefully with the correctly spelt words?)

Match the ar words with their pictures:

star jar sharp party cards
car barn art farmer

AR Word Search

Write the words from the word bank under the correct pictures and then find them in the grid below.

Word Bank

arm	car	dark	farm
jar	park	shark	star
