You should be so proud of yourselves for learning to spell 100 words whilst being at home - a fantastic achievement!
So the good news is.....no more new words to learn this week.

The slightly bad news is we need to keep going over the above 100 words to keep them in our heads and be ready to apply them in our writing as we move into Year 4. So all of these words are now in your Spelling Shed accounts so that over the summer weeks you can keep practising them. You never know, you may find yourself at the top of the Spelling Shed league table by September!

- To access your Spelling Shed account, please use this link:
<https://www.edshed.com/en-gb/login>
- If you would prefer to use the Look Cover Say Write Check sheets to continue your spelling practice, I have included a blank copy of this sheet in our Spelling folder on the website. You can choose the words you find tricky and fill in the sheets yourself (or feel free to create your own columns on a piece of plain paper.)
- I have also attached a list of all the 100 words so you can put it somewhere in your bedroom - you can make up your own spelling games with a friend or ask someone in your family to test you every now and again.

Have a super time over the summer. I look forward to seeing you all in Year 4!
