

What do we now know about the country of India?

We have looked at ways to travel to India and we have learnt a lot about and this country through your work as a secret agent. What facts do we already know? What facts can we find out? Have a go at completing the following challenge cards (we haven't attached the answers as for some of these questions there are many possibilities). We'd love to receive your geographical findings though - send them to our email address and we'll feedback your score out of 21.
