

My Marvellous Home Facts

Think about the materials that have been used to create your house. Describe and explain the features of your home - you could choose to draw a picture of it and add labels to it or you could choose take a photo of your house and produce a collage of photos to surround it showing the different materials that have been used.

Draw/photograph your house and label the materials that have been used:

My Home - How many rooms? Surprising features? Sustainable benefits?

sustainable means the ability to exist constantly, the material used doesn't run out

What other interesting materials have been used to build your home?
