

## White Rose Maths Week 10

WB 29.6.20

If you find any questions difficult after having had a go at it, feel free to move on to the next question. Alternatively you can email us and ask for some assistance.

Lessons 1 and 2: If you don't have a protractor at home please use the worksheet with the protractor included, otherwise use the sheet without a protractor as it will help you to practise using a protractor accurately.

Day	Monday	Tuesday	Wednesday	Thursday	Friday
Learning Objective	Measure accurately with a protractor	Draw lines and angles accurately	Calculate angles on a straight line	Calculate angles around a point	White Rose / BBC Friday Maths Challenge
