

Reflecting on your year

Name _____

In very different circumstances than we ever expected, we are reaching the end of Year 5. If we were in school, we would spend time looking back at our year by asking you the following questions: What have you learnt? What did you most enjoy? What have been your most memorable moments? What have been your biggest achievements? What are you most proud of?

We would really love to hear your thoughts. Can you please write in each of the boxes, commenting on the above statements and share your reflections with us. (Note: To avoid printing, your comments could be simply written underneath the box titles on paper, then photographed and attached to an email.)

PE (*Tag Rugby, Gymnastics, Indoor Athletics, Dance, Kingball*)

Geography (*Map skills, Greece, Vikings – Scandinavia and changes to England*)

History (*Vikings and Anglo Saxons, Ancient Greeks*)

Art (*Discobulus, Greek Shields & Pots, Giacomettis Walking Man, Viking Warriors, Knots, Snake & Dragon Heads, Themed drawing skills – World Book Day, Funky Reindeers, You tube tutorials*)

D and T (*Flanimals, BFG giants, Anglo-Saxon houses, Christmas Fayre Chocolates, Christmas Maps*)

Extra-curricular (**non-sport** – Christmas Fayre, own clubs etc. Radio/Expressive Arts Club, Cinematheque)

Sporting Events (playing / participating in school teams, friendly matches, sports clubs)

Favourite Trips or Visitors **AND WHAT YOU LEARNT** (Olaf the Viking, Woodside Wildlife Park, Space Centre Leicester)

What do you think is your biggest achievement this year?

In Literacy...

In Maths...

In other topics...

What is the best thing you have learnt?

What instrument did you start learning to play?

5S Were you at the concert: Yes / No

Biggest achievement during 'lockdown'! (What are you most proud of?)

What was your most enjoyable moment this year?

Reports - Personal Comments

Now you have had a chance to reflect on all the activities we have covered in school, we would like you to complete one last task.

Currently, we are busily writing reports – so we need your help to complete them!

Below is a comment box that we need you to write a paragraph in telling us about your year. This paragraph is just really summarising everything you have just written in the above boxes.

What have you most enjoyed about Year 5?

What classroom activities were the most engaging?

What were the highlights of your year?

Looking back over your year, what are you most proud of? (Work related or personal achievements)

How are you feeling about heading in to Year 6?

How would we like this personal comment to be sent to us?

- Ideally, we would like you to type your comment. (We have only provided this box below to show you how much space we have on your report. If you would prefer just to type a paragraph as an email and send it to us, then that would be perfectly fine.)
- If it is not possible to type the comment, then please write it, photograph it and send it to us as an attachment.
- If there is any reason why this can't be returned via the above means, then please contact us via email or phone the school and we will include you on our weekly call list and it can be easily scribed over the phone.

Pupil's Personal Comments:

Many thanks from the Year 5 Team.
