

# NETTLEHAM CE AIDED JUNIOR SCHOOL

Dear

We hope that you are enjoying the Summer holiday.

We are sorry that we could not meet and spend time with you last term, but we are looking forward to getting to know you in September. Lots of people will feel a bit nervous because things have been so 'different', but we will all help you to settle in as quickly as possible. There will be lots of exciting things to do and learn when you become a member of the Nettleham Junior School family.

Welcome!
