

**Nouns** give a name to things:

*table, weather, people, rings.*

**Adjectives** describe those nouns:

*pretty flowers, noisy hounds.*

**Verbs** tell you what we do:

*bounce, swim, think and chew.*

**Adverbs** tell you how it's done:

*slowly, loudly, or just for fun.*

**Preposition?** It's in the name:

*under, over* again and again.

Replacing nouns is **pronoun**'s thing:

*he, she, it,*

*they, her and him.*

**Conjunctions** are there to stick,

clauses together like cement and brick.
