

Nettleham CE (Aided) Junior School Freedom of Information Publication Scheme

For all of us at Nettleham Church of England Aided Junior School the teaching, learning, attitudes and wellbeing of all our children are important. As a Christian school we believe that everyone should feel wonderful, amazing, loved, valued and unique, because God made us that way. We encourage all our children to achieve the highest possible standards and develop their skills to become lifelong learners.

The governing body is responsible for maintenance of this scheme.

INTRODUCTION

What a publication scheme is and why it has been developed:

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- The classes of information which we publish or intend to publish;
- The manner in which the information will be published;
- Whether the information is available free of charge or on payment.

The scheme covers information already published and information that is to be published in the future. All information in our publication scheme is either available for you on our website to download and print off or available in paper form on request from the school office.

Some information that we hold may not be made public, for example personal information.

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

AIMS AND OBJECTIVES

See attached sheet; this publication scheme is a means of showing how we are pursuing these aims.

CATEGORIES OF INFORMATION PUBLISHED

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.

The classes of information that we undertake to make available are organised into four broad topic areas:

- *School Prospectus* – information published in the school prospectus;
- *Governors' Documents* – information published in the Governors Annual Report and in other governing body documents;
- *Pupils & Curriculum* – information about policies that relate to pupils and the school curriculum;

- *School Policies and other information related to the school* - information about policies that relate to the school in general.
