

Nettleham Church of England Aided Junior School Access Plan

For all of us at Nettleham Church of England Aided Junior School the teaching, learning, attitudes and wellbeing of all our children are important. As a Christian school we believe that every child should feel wonderful, amazing, loved, valued and unique, because God made us that way. We encourage all our children to achieve the highest possible standards and develop their skills to become lifelong learners.

Accessibility Plan 2019-2022

The Disability Discrimination Act 1995 was extended to include education by the SEN and Disability Act 2001 (SENDA). The Governing Body of Nettleham Church of England Aided Junior School recognising the following duties that this places upon them;

- Not to treat disabled pupils less favourably for a reason related to their disability.
- To make reasonable adjustments for disabled pupils, so that they are not at a substantial disadvantage.
- To plan to make reasonable adjustments to the school buildings so that there is an increased access to education for disabled pupils and to make the school buildings more accessible for disabled persons.

The planning duties of the DDA make three requirements of the Governing body:

- To increase the extent to which disabled pupils can participate in the school curriculum.
- To improve the environment of the school to increase the extent to which disabled pupils can take advantage of education and associated services.
- Improving the delivery to disabled pupils of information which is provided in writing for pupils who are not disabled.

Schools are required to resource, implement and review their accessibility plan as necessary. This plan will be monitored and evaluated by the Resources Committee of the Governing Body. The plan below sets out the Governors' proposals for increasing access to education for disabled pupils.

Disability and Nettleham Church of England Aided Junior School: 'A person has a disability if he or she has a physical or mental impairment that has a substantial long-term adverse effect on his or her ability to carry out day to day activities'- the Disability Discrimination Act, 1995 definition of disability.

The School's Equality Policy and Plan is to ensure that there is no discrimination against any sub-group within our community. With this in mind the school has put in place policies and procedures so that children and people with disabilities are not treated less favourably in the service, education or support they receive than people without a disability. Meeting these requirements is consistent with the school's SEN Policy as well as its Equalities Policy and Plan.

Access to this plan: This plan will be published on our website. It will also be made available on request to any current or prospective parent who requests it. We will also hand this plan to any parent of a child with disabilities who makes an enquiry about a place for their child at the school. This plan will also be made available to any member of staff or applicant for a post at the school who requests it.
