

Extending Sentences

Make these these sentences longer using any of the **conjunctions** in the box. Choose a different one each time.

e.g. The man laughed **while his dog performed tricks.**

	because	while	before
after	if	although	when

The man laughed

The train left the platform

The boy walked off

The girl watched the dog nervously

The ancient cat purred

Pick a sentence or make one of your own and see if you can use each of the conjunctions to make 7 different sentences. (you can write them or say them aloud).
