Our ethnic background describes how we think of ourselves. This may be based on many things, including, for example, our skin colour, language, culture, ancestry or family history.

Ethnic background is not the same as nationality or country of birth.

The Information Commissioner (formerly the Data Protection Registrar) recommends that young people aged over 11 years old have the opportunity to decide their own ethnic identity. Parents or those with parental responsibility are asked to support or advise those children aged over 11 in making this decision, wherever necessary. Pupils aged 16 or over can make this decision for themselves.

Please study the list below and tick one box only to indicate the ethnic background of the pupil or child named above. Please also tick whether the form was filled in by a parent or the pupil.

Dear Parents/Carers,

Improving the way we communicate with you

As a school we always try to ensure that our communications with you are as clear, timely and helpful as possible. Effective communications to and from parents are at the heart of the school community we are building.

In order to improve our communications with you further, we are introducing a new service called TXTRound that enables us to communicate with you using text messages (SMS) to your mobile phone or land line. This will enable us to you to receive short reminders of important events, and other information wherever and whenever you happen to be. The system is also capable of sending newsletters via email in the future.

This approach has been used in many schools and has been found to be very helpful for both parents and school staff.

In order for this system to work it is important that we have correct contact information for you, and I would therefore appreciate it if you could complete the information requested in the box below and return to school before the end of term. We will send one text message per child and will use the mobile number you give below. If you have special family circumstances it may be possible to have an additional number added, please contact the school office to discuss. You can of course opt out of this communication method by ticking the box, but we would urge you if you are considering this to try it first before making this decision.

Finally, we hope that you find this approach helpful. We welcome your feedback and comments. Rest assured your personal information is always are fully covered under Data Protection rules.

Yours sincerely,

Mr. D. Gibbons

IMPORTANT INFORMATION

Sign up for free school meals now!

Dear Parent/Guardian

From September, all pupils in Reception, Year 1 and Year 2 will be able to receive a school meal at no cost to the parent/guardian as recently announced by the Government. School meals are healthy, tasty, social and fun and from September 2014 choosing a school lunch for your child/children will help save you up to £450 per year if you take up the offer. A school lunch will also provide a varied and balanced diet and provide the right amount of energy to ensure that your child can work better in the afternoons.

From September there will be a new universal eligibility checking service for free school meals, which will enable us to check all primary and secondary school pupils for free school meal eligibility. This system will also determine eligibility for Pupil Premium, which means schools will receive an extra £1,300 per eligible pupil from central government to fund valuable support such as extra tuition and learning support.

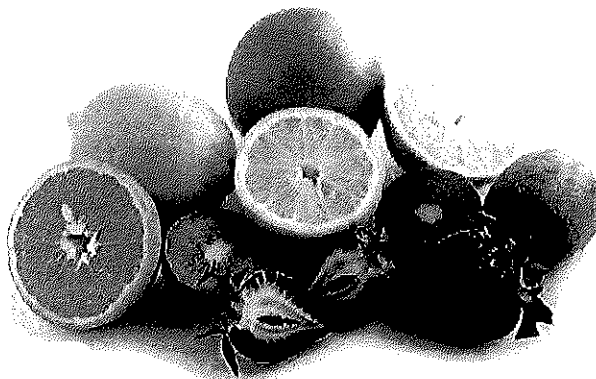

To help ensure that we are able to claim the correct level of funding, please provide the details requested on the form overleaf and return it to school as soon as possible. Parents do not have to provide this information but we would encourage you to register so that we receive as much Pupil Premium funding as possible.

To avoid requesting this information again, Lincolnshire County Council will store your data securely and it will be checked periodically for eligibility.

For more information on school menus, please contact us for a copy. Meat and vegetarian options are available every day and most dietary requirements can be catered for.

Yours sincerely,

Headteacher

Dear Parents/Carers,

IMPORTANT INFORMATION ABOUT ORDERING AND PAYING FOR HOT SCHOOL MEALS AND TRIPS

We are excited to announce a new service for ordering and paying for Hot School Meals and trips.

sQuid eMoney is already used, very successfully, at William Farr School for their cashless catering. We think that our new service will give you more control over when and how to order and pay for meals and trips. Although our children are very good at bringing your money to school, this is safer and you can see exactly what you have paid and can access the service at your convenience.

Once you have registered, you will be able to order meals for the term. **You will get further information and your registration details in June.**

You will be able to order for just one week or for up to five weeks in advance. You can also choose to vary the days each week. As before, you will be able to choose the vegetarian option to suit your child's dietary needs. Orders need to be placed at least one school week in advance.

We have thought long and hard about the best way to implement the new system and, following discussions with parents and looking at the experience of other schools, we decided to go onto a fully electronic ordering and payment system for meals without 'halfway house' arrangements i.e. there will be no cash/ cheque payment option.

If your child is entitled to free school meals you will need to register and order in the same way, but no payment will be requested.

Payment for trips will also be available via sQuid immediately alongside the more traditional methods of payment. We are sure you will find this service easy to use and very flexible.

If you have any questions, please contact enquiries@nettleham-junior.lincs.sch.uk.

If you do not have access to a computer or smartphone/tablet, we will be happy to assist you to access your account at the school office.

Yours faithfully,

David Gibbons
Headteacher

Dear Parent/Carer,

To make it easier to buy the school uniform, we have chosen to use the Parents Online ordering service from Price & Buckland.

You can order the school uniform by going to **www.pbparentsonline.co.uk/nettleham**. You will need to register your name and password and then you are ready to order. A link to this site will be also placed on the school website.

You can either choose to have delivery made to school, which is free of charge and done on a monthly basis, or you can have delivery made within 5 working days to a personal address for a charge of £2.50.

If you do not have access to a computer, you can continue to pick up an order form from the school office and order by post, paying by cheque or credit card. An order form is attached for those of you without internet access.

We must make you aware that the price of uniforms will rise slightly as a result of using this service. Up until this point school has sold uniform at 'cost' price with no additional fee for administration.

Thank you very much for your continued support of school and our uniform policy. Samples of all styles and sizes will continue to be held in the school office for reference and guidance.

We still have some uniform in school, particularly in the larger sizes, and would appreciate it if, at this early stage of our online service, you check with us first to see if we still have what you need here in school.

Yours sincerely,

David Gibbons

School Uniform

The school has the following guidelines for uniform:

Red sweatshirt or cardigan with embroidered school crest

White polo shirt with school crest

(These were introduced as they can be worn under sweatshirts in Winter and on cooler days but provide a cool, practical and smart option without a sweatshirt on warm Summer days.

White shirts or blouses are an alternative to a polo shirt.

Grey trousers or skirt. (Girls are welcome to wear tailored grey trousers)

Black shoes. (Girls should not wear shoes with high heels as these are dangerous in the playground).

Dresses in red/white or green/white are acceptable alternative wear for girls in Summer.

Jewellery should not be worn to school. The only exceptions would be a plain wristwatch and small stud earrings if strictly necessary.

Clothing for PE: (Please ensure all clothing and shoes are marked with the child's name)

Red School T Shirt

Black Shorts

School Sweat Shirt

Black Jogging Bottoms

White sports socks

Trainers

Plimsolls (optional for Summer wear on the yard or in the hall in the case of verrucas.)

A sweatshirt and jogging bottoms are essential for PE outside on colder days. Girls may choose to wear a red or black leotard for indoor PE.
