

# Year 5 Weekly Update

# Week commencing 27<sup>th</sup> April 2020

Hello Year 5! We hope you all have had a great week of home learning – we have been so lucky with the days of sunshine! We still continue to receive lots of amazing work that you are doing at home – remember if you would like to share your work or you have any questions or concerns, please contact us via our email address [Year5@Nettleham-Junior.Lincs.sch.uk](mailto:Year5@Nettleham-Junior.Lincs.sch.uk)

**Please find below the suggested timetable of activities to provide some structure over the next week if you wish to follow it.**

Please be aware that lots of these resources are on our school website, within the associated subject folder. Please choose subjects you enjoy doing, but try to also do subjects you may find more of a challenge too, you can share your sense of achievement with us! You do not have to cover all of these tasks and you don't need to complete each task as if it is one lesson – take them as far as you would like to on one day, then you can come back and continue with them the next day.
