Answer

To count beyond 100 you just add the unit number 1/2/3/4 etc after 100.

!!! Note : you don't need to add 'et' between 100 and 1

What comes next ?

200 >>> deux - cents

300 >>> trois - cents

400 >>> quatre - cents

500 >>> cinq - cents

600 >>> six - cents

700 >>> sept - cents

800 >>> huit - cents

900 >>> neuf - cents

Note : from 200 when 'cent' isn't followed by another unit number you add an 's' to 'cent'
