

Year 5 Weekly Update

Week commencing 18th May 2020

Hello Year 5, we hope you are all well. Thank you for all the hard work you are doing, it always gives us a huge smile when we see the work you are sending in along with your accounts of other fun things you've been up to. This week we've seen some fantastic illustrated descriptions of the professor, lots of great artwork including 3D elephant models, more wonderful baking, and plenty of ingenious codes to solve. It was really heart warming to read about how different families marked the 75th anniversary of VE Day too.

Please use our email address Year5@Nettleham-Junior.Lincs.sch.uk to keep in contact and to share your work with us.

Please find below the suggested timetable of activities to provide some structure over the next week if you wish to follow it. Please be aware that lots of these resources are on our school website, within the associated subject folder. Please choose subjects you enjoy doing, but try to also do subjects you may find more of a challenge too, you can share your sense of achievement with us! You do not have to cover all of these tasks and you don't need to complete each task as if it is one lesson – take them as far as you would like to on one day, then you can come back and continue with them the next day.

Literacy	Spelling, Punctuation & Grammar	Maths
<p>Year 5 The Secret Agent Week 4</p> <p>You're off to the Taj Mahal this week.</p> <p>Please spread these two tasks over the week. Task one Monday and Tuesday. Task two Wednesday to Friday.</p> <p>Taj Mahal Google Tour</p> <p>Taj Mahal Research Information</p> <p>YouTube How to draw the Taj Mahal</p>	<p>This week's spelling lists are available here: Spelling Shed.</p> <p>Our Grammar Activity for this week is focusing in on the world of synonyms and antonyms.</p> <p>Lesson Starter – Synonyms and Antonyms</p> <p>Task 1 – Synonym or Antonym?</p> <p>Task 2 – Synonym & Antonym Word Match</p>	<p>Mrs Wicks/Mrs Nicholl's group Please use this link to access your work: The Hurdling Hexagons</p> <p>Mr Handley/Mrs Wicks' group The Skiing Stars White Rose Maths Summer Term Week 5 Suggested weekly timetable</p> <p>Mr Spowage's group The Cycling Cylinders White Rose Maths Summer Term Week 5</p> <p>Don't forget to keep practising using your mental maths skills using Maths Shed.</p>
Science	Indian Art	P.E
<p>Mixing, Dissolving and Separating Before we start our experiments you need to know what the terms mean.</p> <p>Task Create a colourful, fun and informative poster explaining the meaning of: dissolving, solution, soluble, insoluble, and evaporation. Your poster should be aimed at someone in Y5 who is just starting this science topic.</p> <p>Watch these short BBC Bitesize videos to learn more. BBC What is dissolving? BBC What is evaporation?</p>	<p>The tiger is the national animal of India – it is a symbol of strength, agility & power. We would like you to have a go at drawing one...you may need a collection of sharpies & a pot of artistic patience! Please follow this link: How to draw a tiger</p> 	<p>In school we have been completing the daily live workout by Joe Wicks at 9 – 9:30am. It's a great way to start the day. You can always catch up with the live recordings later or look at his 5 or 8 minute workouts on his YouTube page.</p> <p>You may also want to look at doing some children's Yoga to give a peaceful moment to your day. https://awakeandmindful.com/best-kids-yoga-videos-on-youtube/</p>
<p>These next two links will give you lots of facts and ideas about how your poster could look.</p> <p>Properties and Changes of Materials Facts</p> <p>Properties and Changes of Knowledge Organiser</p> <p>When you have completed the poster why not have a go at this quick experiment? Magic with Mr Spowage or is it?</p>	<p>White Rose Maths Worksheets</p> <p>Please note – White Rose worksheets and videos are now available on the school website</p>	<p>French</p> <p>Madame Dale's weekly French activities are waiting for you here</p>
