Saying the date in French

Dear year 5,

Just a note to thank you all for sending such poignant and interesting letters regarding your experiences during our current situation .I have thoroughly enjoyed reading them all.

I have also received a few beautiful letters from our French pen pals that I would like to share with you when possible.

I am sure that our French correspondents will love to discover yours too.

In the meantime take care and keep safe .

See you soon .

Madame Dale

Note !!!

Remember no capital letters for months and days unless you start a sentence.

Also you don't write 2nd/ 3rd/4th etc as in English when you write the date. You just need to use number 2/3/4 etc (deux/trois/quatre)

However exception !!! For the 1st day of the month you need to say 'premier'.

Ex : Monday 1st May >>> Lundi premier mai
