

# Year 5 Weekly Update

# Week commencing 1<sup>st</sup> June 2020

Hello Year 5, we hope you are all well and you have all enjoyed a very bright and sunny half term week at home. We will continue with our theme of India for this final summer term and we once again, look forward to receiving your messages, your collections of work & photographs to share the fun things you have been up to. A massive thank you for all the hard work you are doing, it always gives us a huge smile when we hear from you. We are very much missing you all.

Please use our email address [Year5@Nettleham-Junior.Lincs.sch.uk](mailto:Year5@Nettleham-Junior.Lincs.sch.uk) to keep in contact – please remember we are always here to support you.

Please find below the suggested timetable of activities to provide some structure over the next week if you wish to follow it. Please be aware that lots of these resources are on our school website, within the associated subject folder. Please choose subjects you enjoy doing, but try to also do subjects you may find more of a challenge too, you can share your sense of achievement with us! You do not have to cover all of these tasks and you don't need to complete each task as if it is one lesson – take them as far as you would like to on one day, then you can come back and continue with them the next day.
