

We would like to revise our Autumn Term World Geography before we focus in on this term's topic of India.

Step One: Continents and Oceans

Please feel free to dance along.....

<https://www.youtube.com/watch?v=gFIS3aLQPfs>

Step Two: The Seven Continents of the World

Now, please watch this link (you may wish to make some notes):

https://www.youtube.com/watch?v=wYYakyS_HOg

Please choose **ONE** of the following tasks to complete:

Task A - create your own fact file based on all 7 continents. This could be in the form of a poster (drawn/written or typed) or produced as a powerpoint - be as creative as you like!

Task B - The whole nation appears to be completing quizzes so we thought we'd get you prepared with some world-wide knowledge! Please answer the following questions. (A lot of these questions can be answered by watching 'The Seven Continents of the World' clip but you'll need to do some geography research too!)

ASIA

1. a. Which three oceans surround the continent of Asia?
b. Which of these three oceans is the largest?
2. Can you name two of the attractions you might choose to visit in Asia?
3. Which range of mountains in Asia are the highest in the world?

AFRICA

4. a. How many countries make up the continent of Africa?
b. Which country in Africa has the **largest population**?
(Take care: the answer isn't Algeria!)
5. What is the name of the longest river in the world?
6. a. What sea lies north of Africa?
b. Which continent lies north of Africa?
7. a. What is the name of the largest hot desert in the world that can be found in the north of Africa?
b. Can you name 3 African countries that this desert stretches across?

NORTH AMERICA

7. a. Which North American country has the largest population?
b. What is the capital city of this country?
8. a. Which North American country is the richest?
b. Which country in North America is the second richest?
9. In which part of North America would you be able to see the Niagara Falls?

SOUTH AMERICA

10. a. Which river is the largest river in the world in volume?
- b. Name three South American countries that this river flows through.
11. a. What is the world's highest waterfall called?
- b. Which country in South America would you find this waterfall?

ANTARCTICA

11. Which ocean surrounds this ice covered continent?
12. What is the only animal to inhabit the open icy waters of Antarctica during the winter?

EUROPE

13. a. Which country is the largest within Europe?
- b. What is the capital city of this country?
14. Which two countries border Spain?
15. What country in Europe is the smallest in the world?

AUSTRALIA

16. Name one main Australian city that lies on the northern coast.
17. a. What is the capital city of Australia?
- b. What famous arts centre landmark can be found in this capital city?
18. The world's largest reef system can be found off the north-eastern coast. What is this reef called?
