

The Egg-stravaganza

Are you a chocolate lover? Do you love chocolate so much that you could never have enough of it? Well look no further. Introducing the new, most exclusive release from Funnington Chocolatiers:

The Egg-stravaganza!

Some people may think that this is just an average Easter egg but avid chocolate fans know better. They know that inside the chocolate case, made from creamy, smooth milk chocolate, is another egg delicately crafted from sweet, white chocolate. They also know that the fun doesn't stop there. Within that egg is a luscious, flowing river of molten chocolate which stays runny even in the coldest of countries.

Be quick; stocks of The Egg-stravaganza are limited.

You do not want to miss out.

Quick Questions

1. Which company produces this product?

2. Find and copy a word from the text which means the same as 'short supply'.

3. Explain how the author makes The Egg-stravaganza sound special.

4. Would you buy this product? Explain why.

Answers

1. Which company produces this product?

Accept: Funnington Chocolatiers.

2. Find and copy a word from the text which means the same as 'short supply'.

Accept: limited.

3. Explain how the author makes The Egg-stravaganza sound special.

Accept any reasonable explanation, such as the use of powerful adjectives, thorough description, and the limited nature of the product.

4. Would you buy this product? Explain why.

Accept either 'yes' or 'no' as the answer, provided that an explanation is given, such as 'yes because it sounds delicious' or 'no because I don't like chocolate that much'.
