

## Creating a Grammar Revision Flip Book.

As part of our grammar revision, one task you could be doing in the upcoming weeks is to create your own revision flip book.

This can be done in many ways – if you don't have coloured card at home, you can create pages in a notebook or create revision notes on plain pieces of paper to create a revision folder. Whatever way you choose to present it, use the links to the grammar songs & the anchor charts we have added on our Year 5 webpage. Pinterest is also full of grammar material which will help you recall examples of all these topics.

Please feel free to add your own topic words – you could add sections to cover conjunctions, determiners or prepositions – there is simply no end to your grammatical knowledge!

This booklet can then be used to continue your grammar work within school, both in Year 5 and throughout Year 6.
