

Year 6 RE – Our Responsibility for the world

Day 5

Your personal response – What do you think is your responsibility? What changes could you make? What can you do to make a difference? Come up with a mandate for your response to the environmental crisis that the world is in. Do this in whatever format you wish. It may be a poem, a list of environmental commitments, an annotated drawing, a poster, a PowerPoint, a written speech to the world – be creative. I would love to see what you guys are passionate about and how each of us ‘doing the small will equal the big.’

*“The body of Christ, or the people that are the whole of humanity, are a **team**. The body is not supported by one person, but by all of us. We are one, we are strongest **working together** in unity. **Teamwork** is the key to living life in harmony, so that we can do God's will.” 1 Corinthians 12:14*
