

Year 6 RE – Our Responsibility for the world

Day 1

Re-read Psalm 8 and underline any of the Psalm that you feel relates to us as humans. Answer the questions on the sheet in response to the Psalm.

Day 2

On your daily walk/exercise note down or photograph evidence and examples of how we as humans perhaps are not following through with their 'responsibility' to care and look after our world based on Psalm 8. Find a way to 'evidence' what you have found.

Day 3 and 4

Use the internet to research the response of charities such as Christian Aid, Oxfam, Tearfund or the Fairtrade organisation to the issues raised especially during lessons 1&2. Use the links below to help you. Once you have completed your research create a leaflet about how your chosen Christian charity is responded to the environmental issues in the world.

Day 5

Your personal response – What do you think is your responsibility? What changes could you make? What can you do to make a difference? Come up with a mandate for your response to the environmental crisis that the world is in. Do this in whatever format you wish. It may be a poem, a list of environmental commitments, an annotated drawing, a poster, a PowerPoint, a written speech to the world – be creative. I would love to see what you guys are passionate about and how each of us 'doing the small will equal the big.'

*"The body of Christ, or the people that are the whole of humanity, are a **team**. The body is not supported by one person, but by all of us. We are one, we are strongest **working together** in unity. **Teamwork** is the key to living life in harmony, so that we can do God's will." 1 Corinthians 12:14*
