 At Nettleham Church of England Aided Junior School the teaching, learning, attitudes and wellbeing of all our children are central to everything we do. As a Christian school we believe that every child should feel wonderful, amazing, loved, valued and unique, because God made us that way. We encourage all our children to achieve the highest possible standards and develop their skills to become lifelong learners.

**We, the school will ensure that;**

 We care for your child's education, safety, welfare, spiritual development and happiness; encouraging your child to believe in themselves, feel valued and achieve their full potential.

 We provide a balanced and enriched curriculum and meet the individual needs of your child; encouraging, promoting and celebrating high standards of work and behaviour by building good relationships and developing a sense of responsibility.

 We will inform you about particular concerns or issues that affect your child's welfare, work or behaviour, and your child's progress; always promoting open communication and the involvement of families and the wider community in school activities.
