

Delivery Information

Deliveries to your home or work address should be despatched within 5 working days. Please allow longer during the very busy summer months. A postage and packing charge will be applied at checkout. You will receive an e-mail when your order is despatched.

If deliveries are accepted into school, they will be made on the 2nd and 4th Monday of each month. Final ordering deadline for inclusion within these deliveries is the 1st and 3rd Monday of each month. Delivery of items to school is free of charge. Please see the products page in order to find out if your school accepts deliveries.

School deliveries during the holidays may vary. Please contact the school for more details.

For all schools outside the UK, deliveries will be made into school on the 1st Monday of every month. The final ordering deadline for guaranteed inclusion is the 3rd Friday of every month. You will still receive an email to say that the order has been despatched, but your order will be included in the next scheduled delivery to the school.
